3 Days of Education & Entertainment for the Entire Family!

The 5th Annual Horse World Arena ♦ March 19-21, 2010
The Greater Reading Expo Center ♦ 2525 North 12th Street ♦ Reading, PA

Horse World Arena 2010 is our 5th annual event & will be our 4th year in Reading! Held in conjunction with the **Pet Expo at Reading** (the largest Pet Show in the East)—**HWA** continues to be a great success. Clinicians come from across the Mid-Atlantic & Northeast Regions—to showcase their talents.

Our equine friends include Quarter Horses, American Spotted Drafts, American Warmbloods, Paints, mini's—to name just a few. At **HWA** we focus on education and entertainment for the entire family. We want to educate you about the Equine industry, as well as, provide you with some fun while you're here – cutting horses, carriages, fun & games, musical exposition, breed parade, health, health & fitness, ways to improve your confidence, ground training for a better ride, massage & painting muscle groups and we continue to expand our topics. **Hope to see you there!**
